RE: Brisson Peinture

To whom it may concern:

It is with great pleasure that we provide a recommendation for Brisson Peinture. We have completed numerous projects with them over the years most recently, The Ottawa Hospital – General Campus with a contract value of \$545, 000.00 and the Royal Ottawa Hospital with a contract value of \$ 780,000.00. We consider them to be a valuable member of our sub-trade team. They have always been very professional in their operation. Their dedication to quality work and conscientiousness of the schedule is second to none.

Yours truly,

ELLISDON CORPORATION
